10/22/18, 12:54 PM - Dr Peter Pryce: Dear Pastor Oppong. It is the love of Christ that binds us. Apostle Peter denied his best friend Jesus but later loved Jesus with all his heart. And his transformation was by the Holy Spirit. So, in everything that has taken place, my joy for you right now is so much, and I am myself amazed at the transforming work of Holy Spirit. Because, truly,

who am I to change a human being when I can't produce one strand of hair? So its the LORD who has done all these things and we give Him the Glory. My Brother, who knows the workings of Holy Spirit that maybe it was for a time as this very moment of reconciliation between two children of God as you and I that the LORD brought me to Tema for us to meet? Who knows? But in all things we give thanks to Almighty God who works in us to will and to do according to His Good pleasure. Stay well my Brother. Greet Madam your wife. God bless you richly.
10/22/18, 12:57 PM - Pastor Henry Oppong: Wowwwwwwww. Your words carry Grace. We give glory to God.

I am really moved by the weight of your scripts. I will keep them and preach it forever until I leave this earth with no regret.

It is the word of God.

God bless you so much.
